Delhi court asks Ansal staff to tender proper apologies

Two accused are facing prosecution for allegedly threatening Krishnamoorthy in court premises

A Delhi court on Saturday suggested two employees of the Ansal's tender proper apologies to the chairperson of the Association of Victims of Uphaar Tragedy (AVUT), Neelam Krishnamoorthy, by getting the same published in newspapers. **Reply by August 1** Chief Metropolitan Magistrate Sumit Dass of the Patiala House courts asked them to reply to his suggestion by August 1, the next date of hearing. Earlier, counsel for Ms. Krishnamoorthy submitted before the court that they should file proper apologies by getting them published in half-page or quarter-page size in newspapers.

Gujarat HC denies relief to Essar Steel in insolvency case

Says action initiated by the RBI was not arbitrary as argued by the company

In a major setback to Essar Steel that is set to go under bankruptcy proceedings initiated by the Reserve Bank of India (RBI), the Gujarat High Court on Monday dismissed a plea by the company challenging the proceedings under the Insolvency and Bankruptcy Code (IBC) at the National Company Law Tribunal (NCLT). "It goes without saying that any action is to be started with someone and may not lie against all at the time," the order said.

Development committee to be set up soon, says Collector

A welfare and development committee with a corpus fund of Rs. 1 crore would be constituted soon for ensuring proper maintenance and fulfilling minor infrastructure requirements at the Mahatma Gandhi Memorial Government Hospital, said Collector K. Rajamani here on Saturday. Speaking after interacting with patients who had undergone corneal transplant and cochlear implant surgeries under the Chief Minister's Comprehensive Health Insurance Scheme at the hospital, Mr. Rajamani said the corpus would be raised through contributions from philanthropists and voluntary organisations. "The committee will help improve health care delivery at the hospitals that minor requirements are fulfilled immediately instead of having to wait for funds.
